Provider Network Agreement

Agreement PN-2027-018 | Effective 1 January 2027

Scope

Participating providers deliver covered services to eligible members subject to the network agreement.

Authorization

Elective admissions require prior authorization. Emergency admissions must be notified within 24 hours.

Claims

Complete claims must be submitted within 45 days of discharge, with itemized records.

Data controls

Protected member information may be accessed only for approved care and reimbursement.

Renewal

The agreement renews annually by written consent and may terminate for material breach.

Demonstration agreement. Not a legal document.
